

Qualification for Nursery and Early Years Teachers

Certificate III in Children's Services (CHC30712)

This is an ideal qualification for anyone working (or wanting to work) as a Nursery or Early Years teacher.

This entry-level course is offered by distance learning in association with the International Childcare College (ICCC) – an award winning Registered Training Organisation in Australia.

Content

Our training is structured for ease of learning, where students are able to work at their own pace, supported by our trainers here in Dubai.

The course competencies cover areas such as:

- Working in a statutory environment
- Children's Health and Safety
- Caring for children
- Child development
- Communicating effectively with children
- Inclusive practices

Study for Success

Self-paced learning enables you to tailor your studies to your busy lifestyle, while earning an internationally recognised childcare qualification.

Competency based assessment is used throughout, so no pass or fail. Assessments include written work as well as practical workplace tasks. There is no final exam.

All study materials are provided, supported by trainers based in the Gulf.

Eligibility

To enrol, students must be over 18 years of age, have sound literacy skills and have ready access to the internet and email.

To finish the course, students must complete 120 hours of work placement in a kindergarten / nursery and hold a current First Aid certificate, which includes the treatment of anaphylaxis
